

Class 48103
Convened 21 June 1948 Graduated 24 Sep. 1948

CS on back says Reading from left to right. I Assume this means for each row of men so will enter as this, even though there is an element of uncertainty in such assumptions. CS is numbered from 1 to 28 so L-R for first 10 men should be correct.

Received letter from Buck Spindler (O.O.) 15 Oct. 1991. He says my arrangement on the rows is correct. Also, The Romano, R.J. this picture is not Jim Romano on the B-List.
