Convened 8 Jan. 1962 Graduated 8 June 1962

Nate Greenfeldt who works at FNOC made partial ID 13 Dec. 1991

Marty Bonk's ID of 12/25/91 adds 6 more to Nate's ID. Marty agrees with some of Nate's. Next to Willie K. Horner, Nate made ID of Kundrat, John J. Jr. AG2 but was not sure. Marty makes ID of Hyatt, Richard W.

Willie K. Horner ID of 2-13-92 makes more ID and one Chief in front row is different. 2nd from left is Cleary, G.C. not Al Chapates? Horner not sure of Johnson & Russell row 2 but I believe he got them correct? Verifies Marty Bonk location of Hyatt.
