NOTE: From Byford Hall 28 Oct. 1991:

"Harold Pierce made AGC, Ferrel D. Carr made AGC (was an NSA person) & Mike Casey made AGC as did Will Vik. Sean Model made Ensign but reverted to AGCM and retired-perhaps to American Samoa as that was where his wife was from. Willy Darichuck also made AGC. I lost touch with Jim Yant but last I knew he was an AG1 at Corpus Christi (I was best man at his wedding during B School) Last I knew (2 years ago) LCDR Mike Dickenson was the OIC at Ashville. Van Orman, who I asked you about, and I used to car pool to B School; I never heard anything about him after we graduated. I believe Howard White made AGC and retired in Spain. I heard that Larry Field tried to change to DP but made AGC instead. Ron Pittser changed rate to MAC, AGCS Bill Bradley was at Pensacola (mid 80's) and Steve Shafer retired as AG1.
