

AGB-7302(1) Winter

A copy of The photograph in Winter uniform that I had originally marked 7302 in the B2 file was sent to Bill Swarthout as he is in that photograph. His reply received 7 Aug. 1992 shows this class picture must have been made shortly after the class convened in Dec. 1972.

Bill Swarthout made partial ID of this Winter uniform class and wrote it is also a different pose of class 7302.
